A sample of the product was tested and found to be in conformity with

HOUS	EN 60335-1:2002;A11;A1;A12;A2;A13;A14
	EN 60335-2-30:2009
EMF	EN 62233:2008
EMC	EN 55014-1:2006;A1
	EN 55014-2:1997;A1;A2
	EN 61000-3-2:2006;A1;A2
	EN 61000-3-3:2008

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemkos name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation. New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Additional information

 See next page(s)

The above mentioned certified equipment complies with current regulatory requirements regarding electrical safety and electromagnetic compatibility (EMC) in Norway and other EU/EEA member states.
